

**SENTRY™**  
Terrazzo, VCT, and Concrete Finish

**Sentry:** Tough and resilient floor finish. Use on VCT, terrazzo, and polished concrete for outstanding chemical resistance, incredible appearance, and maintenance cost savings advantages.

**Outstanding Characteristics:**

- No special application training needed
- Apply with flat head mop
- Smooth and fast leveling off the mop
- Use 1500 or 3000 diamond pad to build gloss, 1-2 passes.
- Low frequency for re-polishing
- Excellent hand sanitizer resistance, no white spots and superior repairability
- Excellent mar and scuff resistance
- Very fast dry: 20-40 minutes per coat
- Two (2) coat application
- Excellent gloss retention

**Additional Advantages**

- Extended pot-life, 12 hrs
- Strippable with Altus Remover or U2O Remover
- Floors clean faster
- Excellent adhesion properties
- Eliminate environmental dust caused from acrylic finishes and frequent burnishing
- Low odor
- Low VOC (<1%) and Rule 1113 compliant (<100g/l)
- Resists yellowing
- Clean with CLN-100

Product Order #: CF-1126 / 2- one gallon kits per case  
Coverage: 1500 - 1800 SF per gallon, per coat
