

ALTUSTM
LVT Urethane Floor Finish

Altus is an extremely durable catalyzed 100% urethane for luxury vinyl (LVT), sheet goods, and rubber floors. Altus requires no sealer and will allow for: Fast in-service time, easy application, high performance durability, and longevity of finish.

Beautiful results with ease:

- No 'special training' required - Flat head mop application
- Excellent hand sanitizer resistance - No white spots
- Excellent mar resistance
- Excellent scratch resistance
- Outstanding gloss retention
- Fast: 20-40 minute dry time, per coat @ 1 mil
- No Buff, No Burnish, No Diamond Grind
- Only two (2) coats for full gloss and maximum protection
- Save application time and materials
- Floors clean faster
- Reduce unwanted airborne dust caused from under foot acrylic finish degradation.
- Coverage 1600 - 1800 SF per gallon, per coat

Additional Advantages

- Fast leveling off the mop
- Extended Pot-life, 12 hrs
- Completely strippable with U20 Remover
- Low in odor, low VOC (<1%)
