

LIFT OFF
Acrylic Remover

LiftOFF is a powerful and effective acrylic remover

- Fast stripping action & efficient acrylic stripper. Extremely effective for removal of urethane fortified floor finishes
- Save time and energy costs: remove six (6) coats in 5-8 minutes
- Does not damage VCT, linoleum type, or rubber type floors
- Easily applied using a micro-fiber mop or string mop
- Strips through complete emulsification
- Longer pad life due to superior emulsification - remove up to 3,000 SF before pad flip
- Water clean-up with CLN-100
- Very low odor - excellent choice for health care
- NON-CORROSIVE—pH below 12.0 - lower freight costs
- Very low VOC's, less than 1% per gallon, concentrate
- MEA Free
- Fragrance and Dye Free
- 1:6 ratio, 32oz per 1 1/2 gallons of water
- Coverage: Up to 2400 sq. ft. per gallon diluted.
