ULTRABLAST MULTI-PURPOSE CLEANER

ULTRABLAST

A PROUD PART OF OUR PRECEPT READILY-BIODEGRADABLE PRODUCT LINE

Super-Concentrate / Multi-Purpose Cleaner / Remover

GREEN

- Very low odor - practically odor free
- Reduce waste-stream contaminants
- Contains no bleach, ammonia, phosphates
- No perfumes, scent, or dyes added
- Excellent alternative to citrus-based degreasers
- Mild pH

TOUGH

- Very concentrated
- Works hard—less brushing and scrubbing needed
- Holds grease & grime in emulsified suspension
- Rinses clean and easily with water
- Saves money—reduce the number of cleaners purchased

VERSATILE

- Useful as a general-purpose cleaner, deep cleaner, degreaser, mildew, or even an acrylic remover.
- Great for cutting and cleaning kitchen cooking grease
- Remove grease, tar, wax, mildew, light carbon, cutting oils, lubricants, fuel oils, road salt, food stains, animal fat, & soot.
- Remove latex paint and adhesive
- Deep clean floors, sealed or non-sealed
- Clean woodwork, chrome, stainless steel, walls, hoods, vents, ovens, grills, machinery—any surface which may safely contact water.
- Can be used in spray bottles, automatic scrubbing machines, steam cleaners, ultrasonic degreasers, parts & pressure washers
